

***International Conference on Sharing Innovative Agribusiness Solutions:
From Farms to Markets, Providing Know-how and Finance***

Cairo, 26-27 November 2008

***INTERNATIONAL ADVISORY BOARD
(tentative, final list to be based on availability)***

The mandate of the Board members is to act as spokespersons for the event, thus raising its profile and assisting in attracting high-level support and participation, as well as advising on innovative agribusiness solutions that can be replicated in developing countries. The conference has four themes: (1) Supply/value chains, market access and linkages; (2) Compliance with standards and conformity assessment; (3) Technology and value addition; and (4) Innovative forms of financing.

The Members of the International Advisory Board expressly have no liability with respect to the participation, financing and success of the conference.
