

Call for Proposal of new SC members Developing Country Representative to join the Steering Committee

The Steering Committee and its role

The Steering Committee operates as the decision making body of the TSPN and is composed of different member institutions. It consist of at least one member from a multilateral technical/ development organization, a bilateral donor, a regional organization representing development countries and an international non – governmental organization. The Steering Committee meets twice a year and is headed by the Chair and the Vice- Chair. Its main role is to:

- (i) Define the policy and strategy for TSPN;
- (ii) Approve the annual TSPN work program and financial plan for activities;
- (iii) Take note of parallel activities contributing to TSPN objectives, considers means of enhancing the alignment of these activities with the TSPN work program, and defines their status and relationship within or to the overall TSPN program;
- (iv) Define selection criteria for activities and included in the approved work program;
- (v) Monitor and evaluates program progress, as reported in six month progress reports prepared by the Secretariat and through such other means as the SC determines;
- (vi) Contribute to the fund raising activities as much as possible;
- (vii) Review and approval of selected projects from the TSPN membership that significantly impact the annual TSPN work program.
